

Prework – Lisboa-meeting

Asseignement:

Each delegation has to make 7 clips for about 30 seconds each concerning the following themes:

1. CANTEEN: school canteen/restaurant/café/catering
2. CLASSROOM: Classroom situation
3. AULA: Conference room/Aula
4. STUDIOS: Special facility rooms (studios, ateliers, drawing room, ...)
5. SPORTS: Gym hall/sports facilities
6. ENVIRONMENT: School environment, recreation hall, school outside, region
7. WILDCARD (Could be everything)

- The clips must be in mp4.
- The resolution must be 1080p
- The naming has to be: „canteen_rotterdam“, „classroom_rotterdam“, „wildcard_rotterdam“, ...
- This clip has to be uploaded until **February 10, 2016** on the FTP server „Commercialpolis“
- No spoken comments/interviews
- Subtitles are not necessary

Each delegation has to create a final production called „My perfect school“ which contains one part (footage) of each school. That means that in each final production there has to be one footage of each partner school and the final production consists of 7 parts.

- Maximal length of the final production: between 30 seconds and 1min
- Music, sounds, whatsoever can be implemented in the final production as you like. The Music must be free of rights.
- Animations, titles, whatsoever can be implemented as you like
- The editing doesn't have to follow a strict order – creativity is asked (the only obligation is, that of each school at least one footage has to be used)
- The final production has to be uploaded on the ftp server until **March 09, 2016**

At the transnational meeting in Lisboa all the final productions will be shown to the audience in a start-presentation.

Don't forget to produce a „Making of“ of the prework, which can be shown additionally at the Lisboa-meeting

No matter if you do a Dogma-style production, you try to make a dreamworks-production or a Quentin Tarantino-clip: Creativity is asked! Surprise us with an outstanding start into Commercialpolis!
